## FROM THE PRINCIPAL'S DESK

Dear Parents and students of Titans Public School, Badnera Amravati.

I would like to thank God Almighty who is all pervading power for giving me an opportunity to serve in a noble profession like education and happy for getting an opportunity to present school Curriculum 2023-2024 before you.

I am very much thankful for your support in the academic session 2022-2023. I heartily believe that this curriculum plan for the academic session 2023-2024 will help you to make a plan for future preparation. I believe that plan and action are two sides of a coin, one cannot exist without other. An action without a good plan is blind and a plan without action is handicap.

I am very much thankful to the Management for the whole hearted support to me and the school. Also thankful to all my dedicated teachers without whose support maybe I wouldn't have planned.

**Best Wishes to all of you.**
